

SAGRADA

PASSION

A Game of Dice Drafting & Window Crafting

Return to the famous Sagrada Familia cathedral in *Sagrada: Passion*, the first of the three *Great Facades* expansions. This modular expansion revels in artistic freedom—add everything inside or handpick individual components to enhance your crafting experience.

Sagrada: Passion introduces new tools and challenges to test your artisanal abilities. Gain individual player powers through **inspiration cards**, use **rare glass dice** to complete new private objectives, and be rewarded for carefully meeting new **symmetry and balance** public objectives. Will your stained glass window be a true masterpiece?

MORE REPLAYABILITY

Introducing new objectives and abilities to add to the base game.

MODULAR EXPANSION

Tailor your Sagrada experience with three modules.

LIGHT AND ENGAGING GAMEPLAY

Same quick gameplay even when adding new modules.
